SCHOOL PROFILE

In addition to an outstanding academic program, Moreau Catholic High School offers students the opportunity to participate in a strong extracurricular program. They have unique course offerings such as Biotechnology, Mass Media and Costume & Makeup Design.

FACILITIES

Moreau Catholic's campus includes art studios, a dance studio, a the newly-renovated theater, the Brother Stephen Walsh Memorial Gallery, athletic facilities, a library, and learning commons. The school introduced two new spaces in fall of 2016: zSpace, a virtual reality science lab, and Design Studio, a classroom where students can apply scientific principles in an environment that promotes risk-taking and invention.

SPORTS AND ARTS

Students compete against other top-notch schools year-round in the Mission Valley Athletic League.

Moreau Catholic's ensembles regularly earn regional and national acclaim for their outstanding musical productions. Each year, students are accepted to the most prestigious collegiate arts programs in the country.

COMMUNITY INFORMATION

Hayward is known as the "Heart of the Bay" due to its convenient central location in Alameda County, not far from San Francisco, Oakland, and San Jose.

*All courses and options offered by the school are subject to change.

I love visiting Moreau. It's such a positive, upbeat school community. It's only 40 minutes to downtown San Francisco and also close to Silicon Valley. The school is extremely innovative and offers exciting programs in science and technology. They also have a strong arts program where students have gone on to study art at UC Berkeley! – Carolyn Caindec, School Marketing and Relations Manager
